Better Baked and Café Marley Spring Specials

ROLL THE DICE WITH OUR HARD CANDY

Even if you don't like heading to Blackhawk to press your luck at the craps table, we bet you'll like to gamble with your taste buds and our Dice Candy!

Our handmade Dice Candy is the perfect combination of sweet, fruity flavors and a dose of THC allowing you to easily medicate as needed. These perfect little cubes come in 10 piece packages, with each dice at 10mg recreationally and 20mg medically. One serving (one piece) is just the thing to make you feel good without making you full.

Better Baked makes 12 different flavors of dice including: Banana, Butterscotch, Cinnamon, Lemon,

Mango, Melon, Mint, Orange, Peach, Pineapple, Strawberry-Banana and our customer

favorite; Tropical Medley (a mix of Mango, Pineapple and Strawberry Banana). Our specially formulated

recipe uses the cleanest CO2 oil creating no cannabis odor or flavor, allowing you to be discrete while you dose. To flavor our tasty dozen, we use non-alcohol, gluten-free and natural based oils giving you the purest taste.

So grab yourself a pack (or two!) and find out which flavor you like best. Better yet, mix and match and make your own combinations.

LIQUIFY YOUR HIGH: CRYSTAL DRINK MIX

For a limited time during the spring season, Better Baked is releasing our crystal drink mix. This little package of powdered euphoria might seem small, but can keep you buzzing all day long.

Our crystal mix is available in 12 signature flavors and is sold with or without tea for both the cold and hot beverage consumer. Dissolve one packet in your ice water or steep it with a tea bag in your morning

tea to create a steady, inconspicuous high throughout the day.

These products won't be around long, so get them while their hot, or cold!

THE REASON FOR THE SEASON: 420 CANNABIS CUP REVIEW

Thank you so much to everyone who came out to visit Better Baked and Café Marley at the 2015 High Times Cannabis Cup! We had a blast celebrating our Industry's holiday by handing out some no-dose samples of our best sellers. If you stopped by our booth, you may have been lucky enough to taste some of our new frozen treats! Better Baked is working on two new products that will be just in time to keep you cool this summer. We hope you enjoyed our tasty treats and had an excellent time partaking in the weekend's festivities!

It was wonderful to see so many great people, companies and organizations representing and advocating for healthy, fun and safe cannabis consumption. It is incredible to see how far this industry has come over the past few years and we are so excited to be a part of where it is going!

MOVIN' ON UP

The Cannabis Industry isn't the only
